

English

This term we will be using a range texts, illustrations and film to inspire and develop our reading and writing skills.

We will focus on applying our grammar skills to develop our ability to write accurate and purposeful sentences. We will apply our writing skills to support us to write part of a narrative, a balanced argument, a biography and a persuasive advert.

Science & Computing

In Science, we will be exploring the unit of 'Evolution and inheritance.' We will develop our knowledge to understand the terms: evolution, natural selection, inheritance, adaptation.

In Computing, we will develop our Digital literacy skills whilst continuously building upon our Esafety knowledge and using the SMART code. We will begin to explore coding using Scratch.

Maths

Written methods: column addition & subtraction, long & short multiplication & division

- Place value up to 10,000,000
- Multiplying and dividing by 10, 100 & 1000
- Doubling & halving decimals
- Ordering decimals
- Fractions & percentages of amounts
- Mixed and improper fractions
- Simplifying, ordering & finding equivalent fractions

History & Geography

In History, we will be learning all about 'Sanitation and the Great Stink.' We will uncover the truth of hygiene in Victorian England, looking at this period through the eyes of a historian as well making links to sanitation today.

In Geography, we will be exploring 'River Systems' and investigating our local river 'Hilton Brook.' We will focus in on how water moves through a water system and how we use our rivers.

PE

This term we will be covering the units:

- Health Related Fitness, Netball, Gymnastics and Yoga

PSHE & RE

In PSHE, we will be understanding the importance of: democracy, the rule of law, individual liberty and mutual respect.

This term we will be having RE focused days around the themes of, 'What is a good life?' and 'How and why do people celebrate?'

MFL & Music

In Music, we will be exploring different compositions and the feelings they can evoke. We will develop our knowledge of performance within music and the role that of rehearsing and refining can play.

Art & DT

In Art, we will be exploring the work of the artist Utagawa Toyoharu. We will be having a go at linear perspective drawing and shading including 3D shapes.
